About Cleveland Maidan Association

Since 2014, Cleveland Maidan Association has worked tirelessly to bring aid, awareness, and advocacy to Ukraine. The organization began in response to the violence that arose following the 2014 Maidan Revolution, and has grown immensely since the 2022 full-scale invasion of Ukraine.

With the help of volunteers, Cleveland Maidan Association has shipped medical, humanitarian, financial, and military aid to Ukraine, and continues to do so to date.
